## The Grape Exchange (TGE) & The JOB Board

---

**As of 7/1/17, Christy Eckstein will be handling OGEN, TGE & TJB. Please contact Christy at [christy.eckstein@agri.ohio.gov](mailto:christy.eckstein@agri.ohio.gov)**

This service is provided by the OSU viticulture program. The purpose of this site is to assist grape growers and wineries in selling and/or buying grapes, wine, juice or equipment and post JOBS Wanted or JOBS for Hire. The listing will be posted to the "Buckeye Appellation" website (<https://ohiograpeweb.cfaes.ohio-state.edu/>) and updates will be sent to all OGEN subscribers via email. Ads will be deleted after 4 months. If you would like items to continue or placed back on the exchange, please let me know.

To post new or make changes to current ads, please send an e-mail to Christy Eckstein ([christy.eckstein@agri.ohio.gov](mailto:christy.eckstein@agri.ohio.gov)) with the contact and item description information below. Weekly updates of listings will be e-mailed to OGEN subscribers or as needed throughout the season. Suggestions to improve the Grape Exchange are also welcome.

# The JOB Board

There are currently two job postings at this time.

## **Job Opportunity:**

**July 24, 2017**

The Ashtabula Agricultural Research Station is seeking a seasonal assistant. The AARS sits on a 25- acre site in Kingsville, Ohio, and is one of eight outlying research stations operated by the The Ohio State University's Ohio Agricultural Research and Development Center, the research arm of the College of Food, Agricultural, and Environmental Sciences. Our role is assist OSU faculty and staff in their efforts to expand the knowledge of grape varieties and vineyard practices with trials in viticulture, entomology and plant pathology, as well as to serve the needs of the grape and wine industry along northeast Ohio's lakeshore.

Seasonal assistants will assist research station staff with field operations, data collection, and ground maintenance. Operations may include planting and harvesting of research crops, collecting soil and plant samples, recording fruit quality and yield data, data entry, record keeping, pruning, and weeding. The successful applicant may operate agricultural machinery including mowers and grounds equipment, clean and maintain work areas, and other duties as assigned.

While some prior experience is desirable, employees will receive training in all required operations. To learn more about this opportunity, please contact the Ashtabula Agricultural Research Station at **440-224-0273** or email [kirk.197@osu.edu](mailto:kirk.197@osu.edu) by 8/15/2017. Visit us on Facebook, search OARDC Ashtabula Agricultural Research Station.

**July 18, 2017**

Sycamore Bridge Farms Vineyard located in Versailles, Ohio is looking for temporary help with vineyard maintenance and vine management. They are one-year-old on replants due to freeze loss. Sycamore Bridge Farms Vineyard has approximately four acres of vineyard, including Chambourcin and about 450 new blueberries starts that need some maintenance as well. They can provide lodging as well as food at their farm-to-table restaurant, as well as an hourly wage. Interested candidates should contact Mike Delligatta at [michael@innatversailles.com](mailto:michael@innatversailles.com) or (937) 416-9793.
