

Commercial Grape & Wine Workshop ~ Back to Basics

Learn the “ABC’s” of grape growing and winemaking!

Join us for an informative workshop to review the 2017 growing and harvest season, learn the “nuts and bolts” of grapevine winter protection techniques, gather information on pest management practices used at the Research and Demonstration Vineyards at OSU South Centers, learn the fundamentals of vineyard fertility management, and learn the winemaking “101” along with other key cellar practices, sensory evaluation skills, and laboratory procedures in producing quality wines.

Thursday,
December 14, 2017
9:30 a.m. — 3:30 p.m.

*Hosted by Dr. Gary Gao,
Todd Steiner, &
Ryan Slaughter*

Location: OSU South Centers
1864 Shyville Rd., Piketon, OH
Large Auditorium, Research Building

Cost: \$25.00*
**includes lunch*
